

PEGASUS®

W2600

series

Extra high Speed,
2013-needle, Cylinder bed,
Interlock stitch machines

Offers speed and safety

Achieved the maximum machine speed at 7,000 rpm.

The machine runs fastest in the world a long distance, such as hemming bottoms of T-shirts and similar garments, thus increasing production.

New design that ensures safety for the operator

The driving parts conventionally located on the front of the arm have been totally removed. Your operators work feeling at ease with the resultant increase in production and quality.
